

MISIONES ECUADOR

Who We Are & What We Do

Project Identity Document

1. Who We Are

Misiones Ecuador is a lay missionary project supporting the evangelizing of the Catholic Church in local communities. We promote personal encounters with Christ through service to those in most need.

Through diverse forms of mission, we address the material and spiritual needs of the communities we accompany, seeking to foster their holistic development in the light of the Gospel.

2. Our Core Message

We build bridges of encounter between volunteers and communities with the mission to proclaim the Gospel, generate a lasting impact, and awaken in them the desire to evangelize to others.

3. Types of Missions We Carry Out

Evangelization Missions

At the heart of everything we do is evangelization: through personal encounters with the people of the communities we serve, we make visible the living Christ who walks with them and among us. Through home visits, catechesis for children and adults, communal prayer, and the celebration of the Sacraments, we accompany each person wherever they are on their faith journey, confident that through these encounters, God desires to touch their hearts with His grace.

Construction Missions

Since 2022, we have carried out missions with young people, families, and international university students, building community infrastructures and doing maintenance work based on the needs of each community. These missions always include a priest for spiritual guidance and the administration of the Sacraments.

Medical Missions

Since 2023, we have run medical missions with volunteers from our spiritual family, international university students, and healthcare professionals from Guayaquil. The goal is to provide free medical consultations and medications, alongside an evangelization component that includes home visits to the sick and elderly, and sacramental care.

Youth Congresses

We host annual evangelization congresses for high school students, held in rural parishes, strengthening local youth ministries and supporting the priests who serve these communities.

Solidarity Campaigns (Christmas & Emergencies)

As part of our ongoing accompaniment of the communities we serve, we organize campaigns distributing food baskets and toys during the Christmas season and in response to flooding.

Formation of Lay Leaders

We offer a formation program for men and women in rural communities who are committed to growing in their faith. The aim is to deepen their understanding of the four pillars of the Catechism, inspiring them to integrate their faith into daily life and tend to the spiritual needs of their communities. It responds to the need to form apostles who can walk more closely with their communities and support their pastor.

4. Institutional Partnerships

- FOCUS Missions (Fellowship of Catholic University Students)
- Diocese of Daule
- Diocese of Santa Elena

5. Our Values

- Service
- Friendship and Communion
- A Sacramental Vision
- Joy

6. Our Impact Over the Last Two Years

2024

+1,000 People Served	254 Volunteers Involved	8 Communities Reached	13 Activities Carried Out
-------------------------	----------------------------	--------------------------	------------------------------

2025

+1,067 People Served	181 Volunteers Involved	9 Communities Reached	10 Activities Carried Out
--------------------------------	-----------------------------------	---------------------------------	-------------------------------------

7. Where We Serve

Tarifa, Samborondon — Diocese of Daule

- Boca de Cana
- Monte Alto
- La Margarita
- El Carmen
- Tarifa
- La Alianza
- El Rosario

Bajada de Chanduy, Cerecita — Diocese of Santa Elena

- Aguas Verdes
- San Cristobal

Azuay — Diocese of Cuenca

- Huasipamba
- Canaribamba
- Tugula

Daule — Diocese of Daule

- El Jigual
- El Laurel

Guayaquil

- Sabanilla

8. Future Projects

1. Painting the School Walls at Escuela Siete de Noviembre — Aguas Verdes

Together with the community and different missionary groups, we have managed to build the walls that now surround the school, making it a safer place. Now we want to take it one step

further by plastering, sealing, and painting those 80 meters of wall to protect the structure and help the children feel more at home in their place of learning.

2. Leadership Formation School — San Cristóbal and El Rosario

We have witnessed firsthand the transformative power of faith formation in strengthening and renewing communities. That is why we want to bring this program to San Cristóbal and El Rosario. It is a four-month program designed to deepen the faith of men and women who desire to become apostles of Christ within their own communities. It prepares them to accompany their neighbors, teach catechism to children and adults in preparation for the Sacraments, and strengthen Christian life from within.

3. Renovation of the Sports Area at Escuela Siete de Noviembre — Aguas Verdes

Currently, the children only have a dirt lot as a place to play. We hope to work alongside the community to build a recreational court with goals and play equipment, creating a safe and welcoming space where children can come together to play and stay active.

4. Navidad Misionera

During the Christmas season, we hope to reach 2,500 families across the rural communities we serve, providing each household with a basket of essential food items and gifts as we share the joy and hope of Christ's birth.
